Description

MAGNUM FULL OF ROSES

A "DOZEN" red roses are always perfect and savored! This best describes our "DOZEN." He is as ruby red and as beautiful as a rose. A son of \$8 million sire Magnum Chic Dream and NRCHA & NRHA producing mare Snowmans Rose, he has more than a Dozen qualities, including his pedigree, character, and skill set. Be sure to enjoy his bridle-less video! He is extraordinary and proven in and out of the arena. An AQHA world show qualifier in the Ranch Riding and an NRHA \$ earner! Dozen is a decorated horse in the reining, ranch riding, versatility, and trail events. Dozen's recent win with Chad Turner qualified them for The Run For A Million! Dozen is the type of horse that keeps it simple for his rider; point, go, stop, and stand. Has a rocking chair lope, long and smooth +1 sliding stops, +1 lead changes, pretty spins and is an elegant mover. He is as classy as they come, nearly on autopilot, and so easy to ride. Dozen has packed youth, complete beginners, and rides to the level of his rider on his back. He is safe, safe, safe, and always quiet, gentle, and forgiving. Dozen enjoys trail riding, from the mountains of Montana to the desert of Arizona. Trustworthy and quiet riding out alone and no worries riding out in a group. Sure-footed even down the roughest terrain, including shale-sided mountains. Nothing bothers this guy, fireworks, wild game, bridges, bicycles, dogs, large machinery, and riding thru & around traffic. You'll enjoy the ride on the ranch to gather cattle, brand, sort, and doctor. Very patriotic, he has been used to carry flags at events and in parades. Saddle him right up or hop on him bareback and bridle-less, and he will perform any task undoubtedly. From the moment you catch Dozen, he is the most generous, well-mannered, sweet-natured boy! He hauls, stalls, turns out well with others, and loves his grooming time. A true dream horse all packed into a gorgeous bouquet of roses. We are excited and a little sad to offer Dozen to you; we know once you spend some one-on-one time with him, you will understand why he is a sale highlight. Has recently passed a vet check along with current radiographs. We would love to schedule a time for you to try him for yourself at 406-381-2347.
