Description

RC JAC DUN IT AGAIN

Dexter is one cool dude! He stands 15.1 and weighs 1300lbs along with exceptional foot and bone. His copper dun coloring sparkles and shines and draws attention wherever he goes! Dexter was started in a reining program, so he has an extremely solid foundation that makes him versatile for any direction you desire. He's been trail ridden hundreds and hundreds of miles, he's been shown successfully in Ranch Riding and Ranch Trail shows, he's been used in all aspects of ranch work, and while doing all this, he's had all levels and ages of riders on him...you could say he's a one horse fits all kind of a mount and at only 9 years of age, he has a lot of miles and time left in him! Dexter's sire has sired numerous NRHA money earners as well as AQHA Point earners while having a stacked pedigree that's full of Hall Of Fame horses. If you're looking to

be safe no matter how often or consistent you ride, then look no further. Dexter has one of the sweetest personalities you've ever seen on a horse, and he loves attention. He stands great for the farrier, loves baths, he's easy to clip, and just all around pleasant on the ground as well as on his back. Family horse, trail horse, show horse, ranch horse, but mostly a safe gentle horse...he fills all those roles! For more info on Dexter, please call Shane at (940)-765-7177.
