Description

XTRA LITLLE CROME

Check out this handsome blonde gentleman! Ozzie is 15 hands, sweet as pie and as honest as the day is long. The entire family will enjoy this gentle gelding. He will be safe and fun for the kiddos and would be a great confidence builder for a beginner or timid rider. Ozzie would be fun to go show in the reining, ranch riding and ranch versatility events. He's very smooth and easy to sit. He has a nice slow jog and a big extended trot. He lopez on a draped rein and has more whoa than go. Ozzie has easy lead changes, pretty spins, and a long sliding stop. His transitions are fluent, and he has great direction. He easily guides with a neck rein or will ride just as good with no bridle and a string around his neck. Ozzie always stays trained and gentle even with

time off. You won't ever have to worry about anything with this sweet gelding, just saddle up, climb on, and go! Ozzie has been exposed to lots of different types of terrain and landscape. We have used him all over our north TX ranch, ridden him in the AZ desert and mountains, and he has even spent time on a large exotic game ranch. Ozzie is sired by Wimpys Little Step, earner of \$185,757 NRHA and Open Futurity Champion, NRHA \$13 million + sire, NRHA Hall of Fame, and sire of the Triple Crown Champion!
