**Description**

**MM DOC'S PROFESSOR**

Professor will bring his "A" game every time. He can do it all and looks great while doing it. Anyone that can get on Professor is sure to love him. He is safe and gentle for all levels of riders. This fancy Buckskin gelding stands 15.2 HH, weighs 1200 lbs. Professor is an outstanding head horse that has natural rate and puts you in that perfect position every time. He runs hard to cattle, then rates off and is strong on the horn. He scores great and is good both in and out of the arena. His pedigree goes back to FRECKLES PLAYBOY who is ranked third on the list of All-time leading sires by offspring earnings. His sons and daughters tallied an amazing \$24.5 million in NCHA earnings. It's no wonder Professor has so much cow and is a natural when it comes to

ranch work as well. We have used him on the ranch to do every aspect of ranch work from doctoring, sorting, and dragging calves at branding time. He has been on mountain trips and travels out with confidence across deadfall, through rough terrain, and across water. Professor is a true gentleman and the kind of horse everyone loves to ride. He is a family favorite on our ranch and is an All-Around gelding. He is good to clip, shoe, bath and is current with vaccinations, dental work and farrier.
