**Description**

BPH SMART STEP

Turn heads everywhere you go with this versatile 6yo, 15.1 H STUNNING gelding. "Cy" knows he is a looker and has a presence when he walks into the area. Cy is incredibly TALENTED, HANDSOME, AND HARD WORKING. Cy has a flowing white mane past his shoulders, a huge hip and solid black feet. His sire is the one and only Wimpy's Little Step with a LTE of \$185,000, an open Futurity champion and also a congress champion; he also holds the largest composite score in NRHA history and a producer of over \$13 Million. His dam Jameen Chic is a proven producer of over \$80k including a NRHA

Futurity Finalist and a NRHA Non- Pro Futurity finalist. Cy is truly AQHA Royalty! He has already won over \$2400 in NRHA and \$1500 in local Team Ropings. Cy is nominated to the Riata Buckle and will compete in the breakaway competition in November 2022 at the Lazy E in Guthrie, OK. Cy is a smooth mover and has that "it" factor style. He performs all gait transitions with ease; spins, slides and does flying lead changes, moves off leg pressure and opens gates. He is AQHA WORLD SHOW quality. No matter what you choose to do with Cy from roping to ranch riding to enjoying a scenic trail ride, he is a willing partner that is always ready to go to work. Whether you take him to the arena for some reining spins, the ranch to gather cattle, or to the 2nd richest Roping in the country the Riata Buckle, Cy will get the job done with ease. Cy is finished in the heading and breakaway and very well started on the heel side. He is the perfect all-around gelding with a great work-ethic. Cy is safe for a novice rider and would fit a low number roper #3- up to a more advanced #6. He is suitable for #13 on down roping. He leaves the box with explosive power and can catch fast running cattle. Cy has been hauled to World Series Team Ropings and local Ranch Versatility Horse Shows and excelled at both. He is great around dogs, ATVs, and farm machinery. When it's time to get fancy, this boy will stand for the farrier, clip with ease, even his ears, worm and bathe. Cy is 100% sound. Cy truly is a dream horse. For more information, please call Natalie @ (903)-327-9499.
