Description

CR YELLA CAT

IMA SWINGIN LIL CAT X WINDRIFTS FIREWORKS by WINDRIFTS STARBUCK affectionately known as "Miller" CR YELLA CAT. Miller is a stunning 2018 model palomino gelding who rides around as nice as he looks. Standing at 14.2 hands 1000 pounds the perfect size. We have owned Miller since he was a weanling. Mara fell in love with him and bought him off the mare. This guy has been there and done that. Miller is a teddy bear in the pasture and a gentleman under saddle. He is 100% sound and sane, he will ride off with a tight cinch and handle a hard day in the saddle. A good one hand neck rein and good wither, he will stand solid to mount. With a beautiful long trot and a rocking chair canter, he's a blast to pilot. A good ground covering walk, Miller has been used heavily on the ranch and knows a hard day's work. From roping and doctoring cattle to bopping around in the arena with my pregnant wife and son,

Miller has been our guy. Sure footed as they come and not to be out run, he is fun to rope on. He would suit a lower numbered heeler and do well as a breakaway horse. He's been on plenty of overnight trips. Brand calves all day Friday, hit the trails Saturday, and take a relaxing ride down the road on Sunday afternoon. Miller is absolutely beautiful with great conformation and a long blonde mane. Miller has a small scar on his right hind leg that happened as a yearling while I was leading him out of the pen. However, you can see on the X-rays that it is entirely cosmetic. We absolutely adore Miller, and we know you will too. If you're looking for a gentle, quiet, young family horse, Miller is your guy! Give us a call with any questions about Miller and it would be our pleasure to talk to you about this handsome boy. God Bless!
