Description

LAW ABIDING CITIZEN

Wow this is an extremely handsome, fancy bred, all around, stout made 2017, 15 hand, AQHA and NRHA gelding that weighs 1200lbs and is built like a horse should be and broke like a horse should be. Dallas, as we call him, is the kind of horse we all love to have. Not only is he beautiful, but he is also very talented and so well trained for all levels of riders and disciplines. He will perform bareback and bridle-less as well as an incredible reining pattern, as well as riding down a dirt road on a Sunday afternoon, and then head off to the pasture to go gather cattle on Monday morning! Dallas is a proven and low maintenance blue eyed bomb shell who will win your heart as well as belt buckles! We have really enjoyed hauling and showing while taking Dallas through our program. Dallas is a fancy Ranch Rider and Versatility gelding and knows all the maneuvers. He has a smooth Texas trot with great transitions. A great trail horse as

well, from mud, logs, crossings creeks, bridges, and more He is sure footed in rough terrain and picks his way around all the rocks and rough terrain. He is very quiet around gunfire and farm equipment as well as traffic on the road. He also really enjoys cowboying on the ranch, pushing and doctoring cattle, and he will pull anything you can lasso then lets you step off to doctor. Dallas gets along well with other horses when turned out or keeps in a stall quietly. He is great to catch and often can be found meeting you at the gate. Dallas has quiet ground manners when bathing, clipping, and hauling. He really loves attention and any job you decide to do that day. Dallas is great in new places and stays quiet and focused no matter the circumstances. Have we mentioned his pedigree? Dallas is by GUNS R FOR SHOOTIN who goes back to COLONEL SMOKING GUN aka GUNNER! And on his bottom side he is by MAINLY JAC who goes back to HOLLYWOOD JAC!! WOW he has it all!! Dallas has been in several great programs from reining horse training program to a great ranch riding program and then through our own program. Dallas has passed our complete program and did it with flying colors, He's a special horse! We are proud to offer him to you at the 2022 Diamonds in the Dessert Premier Horse Sale in Las Vegas! Call us at 330-231-2311 to find out if Dallas is your next Ride of Your Life Horse!
