Description

CHANCLA

Chancla is a 7yo BLM Mustang bay mare from the coveted Devils Garden HMA in CA. She stands 14hh and 14 hands wide! Chancla was the 2020 CA Extreme Mustang Makeover Horsemanship Champion and Reserve Champion in the Freestyle. She won

over \$4,000 dollars in this competition. She was my random draw mustang from the BLM for this competition. I have been her only home and only trainer since picking her up wild from the BLM in July of 2020. She is fully titled from the BLM and is issued a BOS (Bill of Sale) from the Mustang Heritage Foundation in lieu of a typical title from BLM (equivalent value and meaning). She has competed in multiple mustang competitions in 2021 with top placings by multiple riders including children and beginners. She was the El Rodeo Ranch Riders EXCA (Extreme Cowboy Association) 2021 Green Horse Regional Champion winning a buckle. Chancla also placed Top Ten at the 2021 EXCA Extreme Mustang Race at the National Championship in Glen Rose, TX. She has completed two AERC (American Endurance Ride Conference) Intro Endurance races in 2022 (one 12 mile and one 14 mile) with exceptional vet scores. This mare can sit for weeks in a pen, pull her out, saddle up and go. Chancla loves people and attention. Anyone can ride her regardless of skill level and she will pack them on the trail with the smoothest of gaits or around the show arena. Her jog and lope are naturally collected and balanced. She can turn it up too for those who like a bit more spice. Chancla will adapt to her rider/handler and is very aware of her person at all times. She is great to pony young horses off of or give confidence to the skittish horse. She has hard and big mustang feet and is perfect for the farrier every time. She can go over obstacles, drag anything, throw a rope off her, open gates from any direction, jump, or anything you want to try she is game. She can lay down at liberty on cue, sits up and will smile too! Chancla has a small umbilical hernia that is cosmetic and doesn't bother her. She also has a small bump on her back/spine that is cosmetic and doesn't bother her. Contact Amber Espinoza at 760-981-3018 for more info.
