Description

SMOOTH LIL RICOCHET

Smooth Lil Ricochet is a 2015 AQHA bay rabicano gelding that we have owned since he was a yearling. He is 14.2 hands tall and weighs 1100 pounds. He is STOUT with a good wither on him. Ricochet has a phenomenal personality, is well-versed in every aspect of ranching, has experienced success in the show pen, and is backed by an excellent pedigree. Ricochet is a fun and flashy gelding. He is kind, easy to catch, gentle, and has a personable attitude that makes every day on the ranch, show pen, or trail a day worthwhile. He is a character and is always in your back pocket. He will be your best friend while being your hardest worker at the same time. He is ridden by three

different people in our family. This horse is extremely gentle and has mastered every obstacle on the trail. Ricochet is the ultimate cow hand. He has been used to night calve, pair out, doctor calves, wean calves, sort in an alley, work a tub and at brandings. He has no problem riding off in the middle of a snowstorm and loping away from the barn to bring home a chilled calf on a sled. Or grab a flashlight, slip on a pair of muck boots, and get a calving heifer in the barn. He is cowy and has natural, smooth, cow sense. Ricochet has excelled in the show pen with limited hauling. He won nearly \$600 at his first show and will be shown throughout the summer and fall at ranch horse competitions by both open and novice riders. We have been breakawaying on him and will continue to do so until the sale date. SMOOTH LIL RICOCHET is an own son of REAL SMOOTH CAT, an earner of \$33,697 and 91 AQHA Points. His grandsire, SMOOTH AS A CAT is an earner of \$501,874 and has too many titles to list. His granddam, LIL PRETTY RICOCHET, has a LTE of \$119,949. His bloodlines run deep in both traditional and contemporary cow-bred lines. G&J Performance Horses is proud to offer SMOOTH LIL RICOCHET, a gentle, all-around ranch gelding at the Premier Horse Sale. For more info, call Greg at (785)-650-7351 or Jenna at (785) 650-7351.
