Description

BRISKET

Have you ever wanted to support an AMAZING foundation like St. Jude Children's Research Hospital AND find the perfect family horse? This is your opportunity to do both! We will be donating 10% of the final sale price of this gelding to St. Jude Children's Research Hospital. Families NEVER receive a bill for treatment with St. Jude so they are able to focus on recovery and being together as a family. We do this every year through Premier Horse Sales in hopes that more families are able to get the medical resources they need, without the tremendous burden of endless medical bills weighing them down. We have chosen one of our nicest geldings to date to be our St. Jude ambassador! He has the temperament of a Gypsy, minus the upkeep of all that feather. We call this handsome hunk, "Brisket" and it suits him! Brisket is an 8 year old gypsy quarter horse cross and he is as easy on the eyes as he is to fall in love with! Brisket weighs 1200 pounds, stands 14.3, and is nearly that wide. He is built like a Mack truck, but floats like a Cadillac. You would be hard pressed to find a thicker or more elegant made gypsy cross! We have been hiding Brisket in our keeper pen for several

years now and we felt he was the perfect fit to help us continue our journey with St. Jude and Premier Horse Sales. He is as versatile as he is dependable! Whether you ride once a week or once a month, you can rest assured that he will take care of you each and every ride. Brisket is quiet and patient with younger riders and can step up and be a solid mount for adults as well. He is who we catch when we need a true confidence builder when someone needs to reinforce their trust in horses again. Brisket is the perfect fit if you are still wanting the gorgeous draft horse look without the need for a ladder to crawl on! Ride him with a group of friends or take him out for a quiet evening alone and he will get you home safely. We cannot tell you how nice this gelding is, you simply **MUST** come see him for yourself! Please call Tess and Bridger Chytka for more information @ 308-262-5020.
