Description

GUNNA B SPOTLESS

"Spotless" is pure and pristine. Family versatile and family friendly. A chart-topping, hand-made golden palomino with the prettiest little head and big soft eyes stands 14.3 1/2 hands! His coat is like a chameleon, dark copper in the fall and dappled in the summer. He will make you look twice, but not far because he will be beside you! You'll get lost in time, brushing him because you can see how much he relishes it in his eyes. A genuine buddy, Spotless loves to hang out and enjoy you all day! Faultlessly broke to ride, yet patient and forgiving, are traits we appreciate of him. He ground ties, hobbles, pickets, and is trained to lie down and curbside to mount. Spotless is phenomenally bred; he is by NRHA Derby Champion, the immortal HF MOBSTER, and

out of Bar S Docs Gay Bar, a producer of over \$50,000 herself. The leaf doesn't fall far from the tree; Spotless is "spot on" in his reining maneuvers with his fancy collected turnarounds, effortless lead changes, and easy-to-slide stops. Lopes around gorgeous on a draped rein or rides into the bridle on a direct rein. His Texas trot is incredible for those looking for your next World Champion Ranch Rider! With very smooth gaits and transitions, he is comfortable to sit for hours, including his jog. He is also THAT horse you can hop on bareback and lope off across the pasture into the sunset! Spotless is perfect on the trails. He has a superior demeanor, seasoned with kites, bikes, buffalo, fireworks, loud gunfire, heavy traffic, cow dogs, machinery, and blowing tarps. We have ridden him through the mountains of Montana to the Arizona desert and the city's bright lights in between. Spotless is the same each time you saddle him with no tricks. He is naturally cowy and fun to rope on in the arena and on the ranch.

Accustomed to cattle drives and will ride off and gather a straggler quietly alone. He is a gentleman when turned out in a corral or pasture with other horses. Easy to catch and will greet you at the gate. He has impeccable ground manners, as you'll see in his video. He is a uniquely handsome, kind, quiet, and very broke gelding that anyone will be proud to own. You'll immediately fall in love with Spotless. We will dearly miss him. We welcome you to our ranch in Wickenburg, AZ, to meet Spotless and see why he is all the rave!
