IM PEPPY N I KNOW IT

We've never met a horse that loves people as much as "IM PEPPY N I KNOW IT" AKA Ferge. He does not care what you're doing, as long as he can join you. Whatever your plans and dreams may be, this stunning boy can help you accomplish them. Ferge is a 2014, Red Dunn, AQHA gelding. He's 15.1HH, weighs approximately 1200 lbs., and is built exceptionally well; with straight legs, good bone and feet, and a big soft brown eye. This boy has been used on the ranch for most of his life, he's been through all aspects of ranch work; and understands the value of hard work. He's also been used in the feed yard and is extremely quick footed in front of a cow. Ferge has been exposed to the world and is not scared of a challenge. He will take you up and down the steepest mountains, through rivers and over bridges. This gelding has also been used in the arena and shows lots of promise as a rope horse/show horse. He has tons of style, moves effortlessly, has a great turn around, and big stop. He's started on the heel side and shows to have lots of rate and stop. Ferge has been used in ranch rodeos and is our top horse for anything in or out of the arena. This gelding's pedigree is stacked with money earners. Ferge is by PEPPY FROM HEAVEN (\$420 NCHA).
