PEPPERMINT

GELDING - YEAR FOALD 2016

COLOR - Red Roan and White

BREED - TWH/Foxtrotter

REGISTERED - NO

Peppermint is a 5-year-old, red roan and white, TWH/Foxtotter gelding standing 15.1 hands. He was bred and raised through our select breeding program and trained here at W2 through our extensive training program. Peppermint was handpicked to be our 4-year-old nieces' horse, but he has grown to be too big for her. Unfortunately, due to

his size and her lack of interest we are going to offer this special gelding for sale. He has been ridden extensively on the trail and is the kids go-to horse at the farm. He neck reins, lopes both leads, great gait, side passes, opens gates, drags logs, and ground ties. He is good with guns, bullwhips, dogs, and wagons. He has been used to pony other horses and in the pack string. Peppermint has roped lots of cattle and drags strong from the horn. He is very cowy and will track a cow very well. He can be ridden BRIDLELESS and knows how to lay down on command, side pass to mounting block, and sit like a dog! He is super gentle and loves to be around people. He has been ridden by lots of children and is a great beginner's horse but would suit an experienced rider. Peppermint is colorful, safe, and has a very loving personality! We have put a lot of time, heart, and soul into this gelding. He is truly special!

2 photos of scars on leg. "Old scar right front leg. Does not cause him any issues and absolutely no lameness. He is 100% guaranteed sound! "
