Willie is a 10-year-old 14.3 hand John mule! He is one of a kind gaited mule! We purchased Willie and his partner Waylon a little over a year ago from his original owner who was an elderly gentleman that had owned him his entire life. Since then, he has packed everything from kids to tents. He is EXTREMELY GENTLE, KIND, AND LOVING! Catch Willie wherever you find him and ride him wherever you desire. He is a dream to shoe, clip, saddle, and load in the trailer. He is an outstanding trail mule and will conquer any trail obstacle with perfection. He has an awesome head shaking, ear flopping smooth running walk. Willie is good with guns, bullwhips, dogs, and traffic. He will neck rein, has an extremely smooth gait and a smooth lope. Willie will drag logs and side pass up to gates. Willie also will carry a pack saddle no problem! That's not all,

Willie has a few tricks up his sleeve. He will lay down, sit like a dog, and side pass to mounting block on command. Willie is perfect for children, intermediate, and experienced riders. Willie is a very safe and dependable mule. ABSOLUTELY NO FUNNY MULE BUSINESS!
