"Bravo" is a BEAUTIFUL, GENTLE, 7-year-old, registered TWH, true black and white gelding. He stands 15.1 hands, very stout with heavy bone and clean legs! Bravo has been in our training program since he was 2 years old. He is a very experienced trail horse! He has been ridden countless miles all over the U.S. from the high country of Wyoming all the way to the east coast. He will go through any trail obstacle and has seen it all. He neck reins, side passes, lopes both leads and has an outstanding gait! He is good with guns, bull whips, and dogs. He is quiet and safe out on the trail alone or with a big group. He is very calm and does not get excited if the other horses leave him on the trail. He can be ridden BRIDLELESS and has spent some time roping steers in the arena. Bravo stands quiet to saddle, easy to catch, stands for the farrier, and quiet

in the trailer. He always has a good attitude and is very a personable horse. He does not get fresh with time off and can go months without being ridden and be the same great horse when you start back riding him. He is super gentle, laid back, honest, and safe for any level rider. We cannot express enough how sweet and safe Bravo truly is!
