Description

CICI'S DALLAS OF BIG HORSE RANCH

A beautiful flowing mane and tail that'll capture your heart! Dallas is a very unique Silver Dapple Gypsy Vanner Gelding. He is 10 years old and stands right at 15H. He's broke the very best to ride and loves to go on carriage rides as well. Dallas steals the hearts of everyone that walks in our barn with his amazing beauty and loving personality. Nothing phases this guy- we have driven him in 6 horse hitches in parades with loud noises in the middle of town, down busy four lane highways, and ridden him on large trail rides among other horses. He has the sweetest personality, loves attention and being loved on. Can be ridden English or Western or just hop on him bareback and go for an afternoon stroll. Soft and supple, yet forgiving, makes him so enjoyable. Waking up sipping your coffee seeing his unique majesty out your bedroom window as the sun comes up is anyone's dream come true! For more information please call 352-615-5070.
