GUNNABEAPOPSTAR aka Olly is a 2016 Palomino Gelding that stands 14.3H. He has everything it takes to be a great horse! Impressive confirmation, exceptional disposition, superior pedigree lined with reining royalty, all wrapped up in a golden package. His sire ARC GUNNABEABIGSTAR is an earner of \$324,265 -2014 NRHA Open Futurity Co-Champion, Producer of multiple NRHA Champions and Money Earners. Olly is the kind of horse everyone wants in their barn or pasture. Olly has an outstanding disposition. He loves to be around people and is easy to catch in the pasture. If you like to pamper your horse, Olly will stand all day long to be groomed. When it comes to riding, Olly has it all! He rides like a Reiner, works like a Ranch Horse, and rides the trails like an easy Sunday afternoon. He has an easy lope, smooth transitions, good spin, and a big stop. We have used Olly to check and move cows, sort and rope calves, as well as pony colts. Olly has proven himself a dependable and steady mount in a wide variety of terrain. Traffic, farm machinery and bicycles don't phase him. Olly has also proven himself in the show pen. He has earned points in VRH Ranch Riding with limited showing.
