Cadillac has been used outside quite a bit to take care of cattle, he pays attention to where he puts his feet, opens gates, and will march right through water quietly. He's cowy, so it's fun to gather and sort cattle on him. Cadillac is ready to go hit the team roping jackpots, he's scores quietly, has plenty of speed and a big stop! Cadillac stands a user friendly 14.3H and weighs 1200 lbs. His stout frame and well-balanced conformation ensure his longevity for years to come. Always a gentleman, Cadillac gets along well turned out with other horses. As you would expect, his ground manners are impeccable – he's easy to shoe, bathe, and clip. Cadillac is always happy to hop in the trailer, settles into new places quickly and will patiently wait tied at the trailer. Sound and sane, Cadillac has been a joy to own.
