Snip is a pretty black, 6-year-old gelding, 48-inch-tall pony that is super smooth gaited. We purchased Snip over a year ago and he has been the young kid's very favorite pony. He is gentle for children of all ages and is super gentle. He is unique in his size and his gait. Snip has a smooth lope, broke to bull whips, guns, and dogs. He drags barrels and small logs flawlessly. Snip has had lots of trail miles and can keep up with the big horses. He will never take advantage of children and handles all trail obstacles perfectly. Snip also pulls a cart and is very safe for young children to drive the cart. Snip will lay down for children to get on and sit like a dog. He is extremely for your family and children. He is kind all the time, easy to catch, and will stand tied quietly for hours. Don't miss this special little guy!
