Description

UPTOWN MUCHACHO

UPTOWN MUCHACHO, affectionately known at home as Shooter is a barbie doll dream horse in real life. He is a 2014 model by LENA BLUE EYES out of CHILE LYNX. His pedigree also includes NCHA money earners such as DOCS MUCHACHO NCHA: \$4,178.74 and UPTOWN LENA NCHA: \$6,683.00. Shooter is 15H and a solid 1200lbs. This show stopper of a gelding has the bone and disposition that everyone looks for. He is put together perfectly with a strong foundation. Shooter is guaranteed to turn heads wherever he goes. You can count on him to be sure footed on trails, confident and calm at carnivals or in traffic, and broke with all the buttons you could want one to have. He is docile in demeanor whether on his back or on the ground. He loves to be pampered and shown off. Shooter started his career in Ranch Versatility. We have

since shown him the ropes...literally. He is a very talented head, heel, and breakaway horse. Shooter has the diversity to be an asset to any family. He also has fun tricks including bowing and laying down. He is safe as the day is long for the kids but also athletic enough to be competitive in any discipline. This is the horse that everyone will fight over. He has impressive spins paired with an impressive sliding stop. We can't say enough great things about this gelding. If you want the all-in-one package, here he is! For more information, we are always happy to talk about our horses.
