Description

CF COPPERHEAD

The truth is, you will wear out a pickup to find one as unique as Copper. A shimmering sorrel 15 hand beautifully built own son of REF BLACK MAMBA earner of over \$127,000. Our phone rings off the hook in search of horses like Copper, so we wanted to bring him closer to our clients and offer him to you in Ocala! Where do we start? Copper's resume is LONG. To make getting in the saddle easy, Copper is trained to curbside to mount. He is a tried and true trail gelding, trailed cattle across the prairies, swam up to his chin in ponds, steps right in creeks, and walks right over large timber.

Ridden on city trails as well as backcountry, so he is familiar with the hustle and bustle. Copper is on his way to becoming the next VRH World Champion. He is an accomplished AQHA earner in the VRH Ranch Riding, Ranch Horse, Ranch Trail, Ranch Cutting, Cow Horse, and Ranch Reining. To add to his resume, he is a solid ranch gelding, having doctored, sorted pens, and attended branding. Making a stellar switch-end rope horse, he can score and has all the moves to stand out in the crowd. Copper's gaits are so smooth, collected, and very cadenced. He lopes in the palm of your hand or will extend when asked. His reining maneuvers are solid and fancy, yet he is simple to cue and forgiving if mixed-cued. Moves off leg pressure, direct and in direct reins. Everything we have ever asked of him, he has given us 110% the first time. He has been exposed to tarps, gunfire, wildlife, and strollers. His most appreciated attribute is his quiet demeanor to saddle up and go even with time off. He is so fun to cut cattle and Buffalo on; yes, Buffalo! He is an all-around versatile guy. Pull the bridle and saddle and hop on him and he will still spin and slide or simply lope off into the sunset!! A horse who really appreciates and loves attention yet doesn't beg for it. His personality will quickly capture your attention. He gets along well with other horses and is a dream to catch when turned out. With a heart and try the size of Montana, he is truly a one-of-a-kind, stand-out individual. Sound, UTD on worming, dental, and farrier. We welcome you to come and ride Copper at our place in Arizona or in Florida. Please don't hesitate to call us at 406-381-2347; we can talk horses all day!
