He rides off on a nice loose rein, picks up his leads, has a nice smooth stop and is light in the bridle. True one hand broke & uncomplicated to ride. He will stay soft and supple in your hands when you collect him up. Moves through his gaits with ease, plus he has all the buttons

you could ever need! Rides Western, English, bareback and will even go bridleless- you won't need to own a single piece of tack to ride this gelding. Waylon has been cruised through our obstacle course, drug tarps, swam in the ocean, crossed bridges and has gone over jumps. He is absolutely safe for anybody & broke, broke, broke! He takes excellent care of green riders, you'll never have to worry with Waylon. If you are looking for your next driving horse, Waylon needs to be at the top of your list!
