CHOCOLATE CHIP

Chocolate Chip is your favorite big horse shrunken into a 11.2 hand black welsh pony package! After you are around Chip and get to ride him, you won't believe that he is just 5 yrs old! He is an old soul, with old school shape and bone! This breathtaking pony has been Saylor's (5yrs old) go to pony. She comes home from School and immediately runs and Catches Chip. Chip will meet her halfway and always patiently waits on her to put a halter on him lead him up to the fence, crawl on and ride him off! Saylor and Chip have spent many Saturdays on their own playing whatever games a 5 yr old little girl can come up with for her pony. We have caught them many times, in the living room of our home or even up on the porch. Chip is every little girls dream pony! His manners are beyond comparison, he adores little ones, and is the most patient and forgiving pony we have ever owned. That's not all! Chip is broke like your best horse! Lopes around beautiful, deep stop and ones handed smooth spins! Chip side passes both

directions and will easily let you open and close gates on him. Chip has also been roped on by Saylor's 7yr old brother Kyler! Ky has spent a lot of time tracking calves around and learning to rope on Chip. Wait, there's more! Saylor has rode Chip at several play days where she has done everything from carrying the American flag in the grand entry to showing in halter and showmanship and even the barrels and poles! Chip is very broke and will only go as fast as you ask him to. Making him the perfect pony for a beginner kiddo to learn the right way to ride. Not only is he the best teacher but a reliable confidence builder as well. This incredible pony has been rode out in big country to gather and ship cattle, he safely packs our children around through any kind of terrain, from steep rocky canyons, through rivers, and over bridges. Chip is the most sensible and quiet pony when it comes to Machinery, traffic, gun fire, dogs, wildlife and any other sort of chaos you could run into. Chip is one of the smoothest ponies we have owned. His walk trot and lope are all very easy to sit and he has easy transitions into all three gates. Chip has a very light mouth and a light neck rein making him very easy to guide around for the tiniest beginners. Chip also works the cutting Flag! Saylor has had a ball teaching him to work it and its been a really cool learning experience for them both. To add to Chip's extensive resume he's also broke to drive. He pulls a cart and drives well! Chip is the wonder pony that does absolutely everything a pony can do including steal your whole heart! You are absolutely sure to fall in love with him in 5 minutes or less! If you have any questions please give us a call. Cheyenne 806-282-7093 or Levi at 785-531-2353, you can ask for Saylor too and she would love to tell you about Chip!
