BUCKEYE'S HERO

Here is a fun, amazing, one of a kind pony that you do not see everyday! Hero is a registered Gypsy/Pony cross. He is a 2017 gelding that stands 12H and really is one of

the most adorable ponies that we have ever had in our barn. He is being represented by our son, as he is the one that took the time to work with him and get him ready to show off. He not only rides awesome, he also drives just as good. He has been on several trail rides and will go through water, over bridges, and is great in traffic. He has been a lot of fun to take through our program and is safe for anyone of any level to ride or drive. He has beautiful movement and can excel in anything that you would like to take him to do. He rides English and Western and has three easy to ride gaits. He has a nice extension at the trot and has a great uphill canter as well. He has been around a lot of farm animals and is used to farm equipment. He is wearing shoes all around because of where we ride him. He stands awesome in the cross ties and is a gem in his stall. He can be kept out in the pasture and will come running when you call him. He loves attention and will stand for hours while you groom and braid his hair. He does not have any bad habits and does not need to be in a program for him to be a solid pony each time you get him out. We have thoroughly loved this sweet boy for the time that we have had him. We have shot a gun off of him, cracked bull whips, played with balls, had a tarp on him and he just takes it all in. If Hero is the pony that caught your eye, please give Duane Yoder of Buckeye Acre Farm a call @ 330-231-2324.
