Description

RUTH

Ruth is a 14 HH Bay Molly Mule at the perfect age of 8. She is an exceptional All-Around Mule the entire family will enjoy! She is an honest, solid, dependable, safe

mule that absolutely anyone can ride. Handy enough for the advanced and safe and gentle enough for the inexperienced, being youth or adult. Ruth has the confirmation and disposition you will wear a truck out trying to find in a mule. She is the "GO TO" ride when it comes time to go trail ride, hunting, packing, events, play on, or ride in the parades. Bombproof trail mule with her extensive trail experience and great mindset, even if she is caught up in the tightest of places or most challenging situations, she will always remain calm. You can ask her to step into a running walk and she will stay with gated horses all day long. Down the highway, on backroads through the woods, mountains, across rivers, through tunnels, over bridges, up steep inclines and creek banks, over logs, anywhere you ask her too she will go. She loads/unloads, trailers, ties, saddles and bridles with ease. Great to clip, bathe, pick up all 4 feet, and stands quiet for the farrier as well as the vet. Gets along with other animals large and small and loud noises of any kind do not bother her a bit. Her videos and pictures will speak for her so please check them out. She is ready and she aims to please. For more information call (573)-225-7144.
