PUDDIN

Puddin is the total package! Pretty color, kind demeanor, quiet disposition and tons of eye appeal are all qualities he possesses with ease. This handsome mule is 12 years old and stands 14.3 hands. We have owned Puddin his entire life and have enjoyed every minute of it. He is a mellow fellow with the absolute kindest soul and he is one fun ride. Puddin is a true trail riders dream! Busy roads, bridges, water, logs or any other terrain is no problem for him. He will cross it all with zero hesitation and the upmost confidence. Puddin has a smooth, ground covering way of traveling. He neck reins the very best and goes absolutely anywhere you point him. His stellar ground manners make saddling, loading, stalling and shoeing a painless task. Puddin loves people and will meet you at the gate eager for his next adventure. He has been ridden by anyone and everyone and is no doubt a barn favorite. Here is one that you can truly enjoy for many years to come.
