Description

MR. WILSON

Mr. Wilson is one of those been there done that kind of mules. He is a 16 Year Old and stands 14.3 HH, weighs 1000 lbs. He has been to the mountains on pack trips and crosses deadfall and water with confidence. He has lead pack strings, and is sure footed on trails. Mr. Wilson has also done every aspect of Ranching, including dragging calves at branding time. He has been across some big country and has seen some wet saddle pads. He is very quick footed and has a quick turnaround. Mr. Wilson is great to be around, good with his feet, good to clip and stands quiet for farrier work. He rides great with others or by himself, he is always the same. He is definitely a family favorite and is sure to please everyone that knows him. Mr. Wilson is UTD on his deworming and vaccinations! Please contact Rory Patten for more information @ (780) 542-0643.
