**Description**

SCOOBY

Scooby is a 7 year old Palomino John Mule that stands 14.3HH. Scooby has been used for hunting, packing, ranching, trail riding, penning back cattle at the local salebarn, sorting and doctoring. He has also been rode in several parades, will carrying flags, and will stand still to shoot a gun. He has been hog, squirrel and coon hunted off of many miles. If you are looking for a mule that will take care of you in the roughest terrain, Scooby is as sure footed as a mountain goat and he will never get excited in a bad situation on the trail. He loads/unloads, trailers, ties, saddles and bridles with ease. Great to clip, bathe, pick up all 4 feet, and stands quiet for the farrier as well as the vet. He has a great one hand neck rein and lopes right off in his tracks. Scooby is the right size, the right age, the right color, and has the shape and dimension you will wear out a truck trying to find. He will lead the pack, ride in the middle or bring up the rear if you choose. For more information contact Jason Griffin at (573) 225-7144.
