VIZZY

Vizzy is a 15.3 hand, 6 year old, gorgeous bay mare mule. She was foaled on 05/07/2015, by an Invitation Only mare and was sired by an unregistered son of Sycamore Springs Jake. Her breeding is impeccable. Her mother's sire was Innovation Only, who was a son of Invitation Only. He was the AQHA's Leading Sire of 210 World Championships, Congress Championships and Reserve Championships. He was 2008 NSBA Hall of Fame Inductee, #1 AQHA All Time Leading Sire of ROM Earners, #1 AQHA All Time Leading Sire of Point Earners, AQHA Leading Sire 8 yrs in a Row, All Time

Leading Sire of Money Earners, All Time Leading Sire of Western Pleasure Earnings, and All Time Leading Sire of NSBA Money Earnings. In 2005, he sold for 2.35 million dollars to Mike Farina. He was a very special horse. Vizzy's dam and sire were also nice in their own right. Her sire was an unregistered jack, but a good one. Vizzy was born, raised and started in her training by a trainer named Casey Marcum. She was started under saddle as a 2 year old. Casey told me that he had done all the training on her, and that she was his personal mule for some time. He had taken her to some mule shows and thru some trail courses in his area. He told me he had also hauled her to various locations and trail rode on her as well. While here at our place, she has been ridden in the arena, been rode extensively on the trails here on the ranch, been rode in parades, hauled & used at mule shows and hauled to other locations for big trailrides. While Vizzy has been rode mostly western, we truly feel she would also excel in disciplines such as Western Pleasure, Dressage, Jumping and other English events. She has gorgeous cadence about her. She is a big mover, but still very smooth in her transition of gaits. She will walk, trot and lope upon cues. Her headset is to die for. She has the most endearing personality and aims to please in every way. She loves to be pampered. That is why we named her Viziata. It means pampered/spoiled in Italian. Her ground manners are the best and she is absolutely safe to be around and handle. Anyone can catch, bridle, saddle, clip, bath, lead, load, shoe and ride her with the greatest of ease. We have put all our efforts and additional training into her, so that she will be a well rounded mule that anyone will be proud to own and can use. We stand behind her 100 percent. You don't want to miss out on this special mule. Feel free to come try her here at the ranch in Texas or prior to the sale in Utah.
