Big Bob is a big handsome, 9 year old, palomino and white gelding standing 16 hands. He has huge bone and big feet, wearing a size 3 shoe! We have owned Big Bob for a little over a year and have put lots of time and training into him. We purchased him and his brother from a couple in their 80's who raised him and trail rode him for years. He has since been used as a trail horse and to work cattle. He is very gentle, steady, and honest! He neck reins, side passes, great smooth gait and can cover a lot of ground. He has been trail ridden extensively and will go through any trail obstacle. He will drag logs, rope steers, and is strong from the horn. He has been used to work cattle and is very cowy! He will really pin his ears and go to a cow! Big Bob is good with guns, bullwhips, dogs, and wagons. He can be ridden BRIDLELESS and he knows tricks, too! He will side pass up to mounting block for easy mounting with the snap of your fingers and will lay down on command! He is easy to catch, stands quiet for the farrier and

while tied. Big Bob has a truly kind eye and sweet disposition. He will make a great mountain horse with his size and bone!
