**CRACKER JACK**

Cracker Jack is a 10 Yr Old Pony Size Mule. He is about 10 HH, and weigh about 400 lbs. He has been ridden by our 5 Yr old Grandson and he has done all aspects of ranch work on him. They have been all over the ranch and have become a inseparable pair! Cracker Jack is extremely gentle and loves attention. They have gathered cattle and rode fences, and just had fun together. He has been in the mountains and is great crossing water, and deadfall. Cracker Jack is good to catch, and great to be around. He has a great disposition and is always willing to please. He can be ridden in a group or by himself, he travels out and takes care of his little rider. Cracker Jack is good to clip and trim and will make some little cowboy a forever friend. He is UTD on deworming and vaccinations. Don't miss this Fantastic little mule...he is truly worth his weight in gold!

He is offered by Stride Peterson! For More information call Rory Patten @ (780) 542-0643.
