Description

NUGGET

GELDING - YEAR FOALED 2015

COLOR - Palomino

BREED - Mule

Nugget is a 6 year old dark palomino John mule that stands 14.3 hands. He has one of a kind color that is hard to find. This mule is good to trim, shoe, load, and saddle. Nugget has been packed in the mountains since he was a two year old. He is a very seasoned pack mule and you won't even know you're leading him. I started him last winter and he is started right and will do just about anything asked of him. He walks, trots, lopes and rides great in the mountains. This is one versatile mule that can be used for anything!
