**BUCKEYE'S LAKOTA**

Here is one special guy! Slick is a Friesian X registered with the Friesian Sport Horse Registry. He stands 15.3H. This boy has won the heart of our daughter and will be a hard one to let go. Slick was brought up with a solid start in the ring and learning training level dressage. He has awesome self carriage and easy to ride gaits. He is light in the bridle and has a nice up hill canter. He not only is well versed in the ring, he is also easy to take out on the trail as well. He has seen miles of trails and will go anywhere that you ask him to go. He is great to take out alone and he does fantastic in a group. He has fit right into our program and learns very quickly. He has a willing personality and loves to please. He has been trailered to different places and comes off the trailer the same horse each time. He will go through water, over bridges, and is

safe in traffic. We have kept him in a stall and out in the pasture and he will come right up to you in the field. He does not have any bad habits and just loves attention. He is wearing shoes all around because of where we ride, but he has great solid feet. He has been ridden with western tack too and rides just as nice and will slow down for a nice easy jog if you ask him for one. He has a great lateral movement and collects nice and easy into the bridle. He has carried lots of different levels of riders and does not mind if the rider makes a mistake. You can let him stand a few days, or longer, or you can work him every day and he will always be that same willing horse each time you get him out. Slick has been exposed to a lot of different farm animals and objects on the trail and takes it all in with no issues. He is not a horse that gets upset easy and will settle in at new places with no issue. He stands great in cross ties or you can single tie him as well and he will do great and have patience. If this is the horse that you have been looking for, please give Duane with Buckeye Acre Farm a call @ (330)-231-2324.
