Description

MRA HUNKY TONK CAT

Tex is a breathtaking 15.1 hand, Chocolate Palomino Gelding, loaded with shape, color, and personality!! Tex is a finished ranch horse that has done all of your typical ranch duties around the house and at the feed yard. He is good to use for early morning shipping when you need a reliable safe mount and always good to sort and doctor cattle on as well. Tex travels smooth and is absolutely broke to death. The best thing about this horse is his ability to try everything you ask of him, he has a wonderful mind and an enormous amount of heart. Tex has a rocking chair lope with a good cadence and stays collected and soft. He has easy spins and a big stop. Tex is the point and go type, making him extremely easy for our little ones to steer around and go wherever they please. Tex would make a fun weekend show horse in the ranch pleasure, ranch riding or trail classes. We believe he would also make the perfect weekend sorting horse! He has a lot of cow, and an endless amount of talent. Tex has been hauled to countless places for trail rides. He crosses water, timber, along with rocky terrain with

ease. Tex knows where his feet are and is very sure footed. This is a horse that never gets fresh even with substantial amounts of time off, and is so simple to ride that he would fit any class of beginner rider. It's no accident Tex is such a versatile talented gelding he is sired by the great sire, PALO DURO CAT and out of a good DUAL PEP bred mare. If you have any questions or would like to come try Tex please don't hesitate to reach out to Cheyenne at 806-282-7093 or Levi at 785-531-2353.
