Description

MCC CAT KEOTA

Cancun could be your next dream come true! He's big, bold and beautiful. Cancun is a stunning 5 year old buckskin gelding that is as gentle as a puppy dog. Cancun is Safe, Safe, Safe! He was raised on the infamous Matador Ranch located in Matador, Texas. He carries all of the ranch brands. He grew up being turned out with other horses in large pastures having to find his way through various types of terrain. This has carried on to make him an impeccable ranch and trail horse. Not many horses have his kind of experience outside like he does. Cancun is the kind of horse that will take care of you or your loved ones. Cancun is fancy broke. He turns around nicely and lopes pretty circles. Leave Cancun off for months at a time and step on him with confidence. His favorite speed is slow and steady. He is as honest as a person can ask for. Cancun is a

ranch horse through and through. He is big and stout enough to pack you all day. It doesn't matter if you are gathering cows from daylight to dark or if you have a Sunday afternoon trail ride planned, Cancun can handle it. Point him in the direction you want to go and he will always get you there safely. He will cross all terrain with no issues. Cancun is also making a really neat head and heel horse. He literally aims to please no matter what the task at hand is. Cancun stands 15 hands tall and will weigh 1300 pounds. We want to personally invite you to come try Cancun before the sale! We welcome additional prepurchase exams as well. Please call us with any questions. 940-268-6850
