Description

JALEN

Buckeye Acre Farm is very excited to bring you this awesome, one-of-a-kind, athletic Gypsy Vanner Gelding for your consideration. Jalen is 4 years old and he stands 14 hands tall. He is a beautiful Black & White Tobiano with a sweet, kind eye. Jalen was a fun and easy horse to take through our program. He has such a willing personality and wants to please you in all that he does. He has three very smooth gaits and can be ridden by anyone of any level. He has a nice canter, and a very smooth trot, that you can ask to extend or shorten for your liking. He has been on lots of trails and will cross creeks, go over bridges and is easy to ride in heavy traffic. He has been ridden out alone and will go right off the farm with no hesitation. He also rides well in a group and does not mind if he is the leader or ridden somewhere in the middle. Jalen is a horse that will always be the same whenever you get him out. He walks right onto the trailer and comes off just as quiet. He is easy to keep in the stall and out in the pasture, as he does not have any bad habits. He is wearing shoes all around because of where

we ride him. He stands great in the crossties, for the farrier, and the vet. He loves to be groomed as well. Jalen has been ridden around lots of different animals and does not mind anything new that is thrown at him. He has been a very awesome horse to have as we know that we can trust him with any rider on his back. If he is the horse that you have been looking for, please give Duane Yoder of Buckeye Acre Farm a call at 330-231-2324.
