SOUTHBOUNDTHIRTFIVE

The Most Handsome Son of METALLIC CAT, whose personality is sweeter than sugar! Southbound has been part of our family since he was a 3 yr old, he will be hard to part with. We have done a little bit of everything on him and he has seriously seen everything with our menagerie. Something exciting is that Southbound is eligible for the Royal Crown and Riata Buckle Futurities. Southbound is always easy and gentle to

saddle and go enjoy! He has a huge personality and will keep a smile on your face. He knows a few tricks too, will kneel and curbside to mount. He's inquisitive, funny & charming. He is very trained in the arena and simply amazing outside. Southbound is naturally low headed and lopes beautiful circles on a draped rein. He has great direction and guides right where you point him. He has a deep sliding stop, stylish spins, and his lead changes are automatic. Southbound reads cows great and is good out of the herd and down the fence. He would make a really fun horse to go show in the Cowhorse and Versatility events. Southbound has a really neat pedigree! He is an own son of the leading NCHA & NRCHA sire, METALLIC CAT, earner of \$637,711 NCHA, NCHA Open Futurity Champion & Horse of the Year, and producer of over \$40 million! And his dam is FLO LIKE A CAT, PCCHA Open Futurity Champion. Everyone has ridden Southbound around our place. He has always been our go to if a family member or business man wants to come play cowboy for the day. He always rides like a saint and forgiving to any mistakes. Southbound has been ridden all over our MT and AZ ranches. We have used him and depended on him in all aspects of ranch tasks. You can rope, drag, and tie on solid. Open every gate, drop a rein and ground tie all day, sort pairs, gather cattle, and just enjoy the ride while your in the saddle. Making a neat switch end rope horse- with a lot of style and finesse across the pen! He's a fun horse everyday. Southbound has been trail ridden a lot and enjoys leisurely cruising throughout the desert. He's confident alone or will lead or follow a group. He's patient and kind everyday. Has confidence in the city around the bright lights and around blowing tarps, crazy dogs and loud gunfire. He will calmly cruise down busy highways with traffic and bicycles. He is good around heavy machinery, pigs, and buffalo. Southbound is a gorgeous gelding with a long, flowing mane and tail. He has a big, soft round eye and standing 15 hands with very correct and balanced conformation. Southbound will come running when he sees you and follow you around like a puppy dog. He's always a sweetheart to be around and one you fall in love with over and over. We are excited to offer him to you at the Best of Texas Horse Sale.
