Description

PAST BLUE

Howdy is one of the good guys. He is stout, strong and built to last. Howdy boasts a very gentle, wants-to-please, chill demeanor. He's a great team roping horse and excellent ranch horse. No matter where he goes, he is the same dependable horse every time in every situation. He has been used on the famous Rancheros Vistadores rides, used as a turn back horse at the Houston Livestock Show and Rodeo and been in parades. When you put him in front of a cow he brightens up and knows how to get down and work it. He is light on his feet and stops sharp and correct. You can give Howdy months off and when it's time to get back on, he's ready to ride like no time has passed. There is no nonsense with Howdy, he is a good-natured partner for any

purpose. Ranch, rope, sort, trail ride, ranch horse show, barrels —Howdy will do anything, and always try his best with no hesitation. Howdy was bred to be good, with names like SMART LITTLE LENA, CD OLENA, MECOM BLUE and DOCS STYLISH OAK on his papers. At 15.2hh, 1,250 pounds and a classy bay roan coat, Howdy is one that will always make you proud when you take him to town. Call Slick Robison @ (334)-507-1386 for more information!
