Description

DD MECOMBLUE KACHINA

If this TRUE BLUE doesn't catch your eye, you need to make an appointment. Meet Anita, the belle of the ball. Anita was bred, raised, and trained in the Panhandle of Texas. The brand she carries is a true testament to west Texas; Ranching, Performance, Endurance, and Disposition. Durrett Cattle the "Happy DD's" brand originated over 35 years ago and prides itself in raising quality cattle and ranch horses. Anita's sire HUERFANO RIVER BLUE was successfully shown and is an AQHA money and point earner. His sire MECOM BLUE is a million dollar producing sire and a money earner of \$19,000. Anita's dam KACHINAS TIVIO was sired by WYO BLUE GOOSEBERRY a beautiful true blue roan stallion that has sired several ranch, rope, and performance

horses. Anita started her riding career out on the ranch. She has been used extensively for every day ranch chores. Dragging calves to the fire, doctoring yearlings on wheat, and gathering in big, rough country are all tasks that Anita has jotted down on her resume. She's been rode on rigorous trails in the canyons of New Mexico. Anita is a smooth traveler and a cowy gal. She is super stout to the horn and won't quit you on a long day of work. Anita has also been shown the sights and sounds of town life and handles it all effortlessly. She has a very kind disposition, a beautiful handle, and breathtaking appearance. Anita is RANCHING HERITAGE ELIGIBLE and is homozygous black... she will never produce a sorrel foal. She's in the prime of her life and has a bright future ahead in whatever discipline you choose. Anita stands 14.3 hands tall and weighs 1200 pounds. She has black points on every corner and aims to please. For more information call Taylor at 806-654-5490.
