**Description**

ROYAL GUNNER

Navarre is one of the sweetest, easy going, geldings you could ask for! He has that one-in-a-million mind that you can search years to find, all wrapped up in his gentle giant 17H body. He has grown up on the ranch and has been used gathering cattle, roping, and sorting. We have ridden him in dressage and he shows the willingness to climb the levels to earn your medals. He can spin like a reiner and stop like a rope

horse. My boys are 10 and 11 and they love getting the opportunity to trail ride on him and work cattle. His sure footedness gives them the confidence to relax and enjoy the ride knowing that he will keep them safe. Navarre is sound and sane with no issues or blemishes. He is easy to catch and will stand for the farrier, walk on the hot walker, and be your best friend. He has had some trick training done and knows how to bow, kneel, sit, and lay down. World Champion Trick Rider, Ginger Duke, has hauled him and used him in some of her performances. For more information call Steve @ (940)-841-0885.
