Description

CSS HOLLYWOOD NUCASH

This dreamy 2018 AQHA Gelding looks like he just stepped out of a movie but I assure you he's been there & done that! There's no denying Hollywood steals the show everywhere he goes with his Chocolate Palomino coat and long blonde mane. However, his heart of gold is what really sets him apart and will have you falling head over boots for him! Hollywood goes back to the famous AQHA, NRHA Hall of Fame

Sire, HOLLYWOOD DUN IT — NRHA's first sire to hit the \$4 million dollar mark. HOLLYWOOD DUN IT is known for his groundbreaking progress in the reining industry and his offspring are known for their attractive looks and extreme trainability. With another, celebrated, legendary name on his pedigree, NU CHEX TO CASH, whom earned the 3 Million Dollar Sire title and was inducted into the NRHA hall of fame and is the only horse in AQHA history to win high point titles in BOTH Reining & Working Cow Horse in the same year. Hollywood is a full made 15.1 hands and is genuinely as good as he looks. His riding style is soft and correct, transitions effortlessly, and is delightfully comfortable at every gait. He is the ideal candidate for someone wanting to dabble in the Ranch Versatility classes. This horse is in a league of his own in terms of adaptability – there's nothing you can't do with him! He's an outstanding head horse, winning money at every jackpot he's been to. This guy knows what he is doing; scores well, has plenty of run & rate. Ranch work is also Hollywood's forte. He's the man for gathering, sorting, doctoring, and is our favorite horse to load up and take to a branding. Outdoors, he rides like a rockstar and enjoys water. Rides out quietly in a group or alone. This horse could excel in a wide array of programs, and the avenues for his success are endless. Hollywood comes LOADED with the most warm, genuine, comical personality. He is like an overgrown lap dog and soaks up every bit of attention you offer him. He thoroughly enjoys a good spa day, stands to be groomed, saddled, tied. Great for the farrier (and is in fact owned by one), loads and hauls out to new places like a pro. Hollywood is sound, healthy and is an easy keeper. Put him in a stall or turn him out with your other horses, because he knows no stranger. He is sure to be the star of the show in any arena & would be an excellent addition to your ranch or family. This gelding is of the kind of quality you don't often see. We'd love to chat with you or set up a time for you to come meet Hollywood in person! C Fork Horses is located in the heart of Stephenville, Texas.
