**Description**

ROYAL RIVER DANCER

Fuego is a 2018 Red Dun AQHA Gelding standing at 14.2HH. Don't let the little stature fool you, Fuego is as wide as he is tall! Being a grandson of SMART LITTLE LENA on the top and out of a daughter of DUALS BLUE BOON, he is bred for performance, versatility and brains. From heading, heeling, breakaway and all aspects of ranch work, to hitting the trails and packing kids around at the playdays, Fuego is as honest as the day is long and gentle enough for anyone that can sit in a saddle. He has a big stop, smooth turn around and rocking chair lope. He has spent many long days here in East Texas doctoring cattle, sorting off pairs and dragging calves to the fire. Whatever job you give him, he will do it with style. There's not much this guy can't drag or pull! He is the type of horse you can go rope all day on and then throw your kids in the saddle to cool him down. Fuego is gentle and an in your pocket type gelding that loves

attention. The possibilities are endless for this gelding whether you head to the ranch shows, roping's, ranch sorting, or want yourself a nice trail horse. Fuego has packed many of miles down the trails and goes through, over and under all types of terrain, obstacles, or water. He is sure footed and confident in his movement, no matter the task at hand. With his brains and ability, Fuego could easily convert over to the stockhorse competitions if that's what you're looking for. At the ranch Fuego is easy to catch, stands tied for the farrier, grooming, saddling, and bathes. He can be inside or outside and gets along easily with other horses. He is a type of gelding that can be pulled out on cold mornings without issue and does not require being ridden regularly. If fancy broke is a requirement of yours, check his video out! Fuego has all the buttons a horseman could ever need. We assure you; you can buy this gelding with confidence knowing he will be the whole package. Call Bailey @ (330)-243-5233 for more information.
