Description

DZ APRIL COWBOY

If you're looking for your next all around gelding that is tall, dark and handsome look no further then DZ APRIL COWBOY aka Rodger would be my pick for you. Whether you want to trail ride out in the desert in Arizona or gather cows off the mountain tops of Montana, Rodger will take care of you with his smooth way of moving and sensibility. Rodger is a registered AQHA 5 years old Black Gelding that is 15.2 hands high and a big stout 1225lbs, with a flawless confirmation, a hip that never ends, correct in the legs with a beautiful head and neck. He is so versatile he will ride like a show horse in the arena with a fancy handle, huge stop, turn around, side pass, open gates and will work a cow whether you're sorting pairs, ranch cutting or dragging calves to the fire. No matter if you like to ride once a month or everyday Rodger is the same horse every

time you saddle him. He is so laid back and easy going you can ride him bridle-less, bareback, he is used to kids, dogs, cats, goats and whatever else come with the ranch. He will kick a giant ball around the arena for fun, maneuver through any of the trail obstacles or turn a steer back on the fence and does it all with a lot of confidence and style. He goes through water without hesitation, would be a perfect fit for a beginner as he will slow down for them and right up to advance rider who wants to get a job done on the ranch. His pedigree is full of outstanding all-around and foundation type horses that I always look forward to riding because of there smart and easy way of riding. Rodger is the most confident horse you will ever ride, go out and ride alone or in a large group, put him in the front or rear, pony another horse it won't matter he will ride like a dream either way. Rodger is up to date on all vaccinations, worming and 100% sound and has never had any health issues. He has good solid feet and is easy to shoe, bathe, clip, catch and handle. We love Rodger and are confident he will fit into your program no matter what you choose to use him for. He is that perfect all around family friendly safe solid horse! If your looking for a big, gentle, gorgeous gelding to get a job done on the ranch or ride down the road and want to look good doing it; Rodger is the horse for you.
