Description

RJ SHAKEMUP SANNMAN

RJ SHAKEMUP SANNMAN is a six year old, Bay Roan Stallion. He stands 14.3 and is five panel negative. He is sound in every way and does not have a blemish on him. He is an own son of SANNMAN who has LTE of \$200,039. Of course, SANNMAN is by the great METALLIC CAT, LTE \$637,711. His dam is the great ranch mare, PB HEART OF DIXIE, although not shown herself, she is an own daughter of PEPPYS BOY 895, LTE \$113,706. RJ SHAKEMUP SANNMAN has earnings in the NRCHA and also has 35 AQHA points with very limited showing. He has a laid back, user friendly personality that makes him an excellent choice for any level of rider. Whether you choose to compete in the Versatility Ranch Horse events of Ranch Riding, Ranch Reining or Ranch Trail or you are adrenalin filled and focused on the art of boxing and going down the fence — RJ SHAKEMUP SANNMAN will keep you safe, build your confidence and make you look

GREAT doing it! Of course, there is no spook or buck in him, whether he is ridden every day, or you pull the cinch tight after a month off, he will be the same horse every ride! Sannman is also an EXCELLENT heel and break-away horse. When it comes to Sannman as a breeding horse, I have done all the handling myself – teasing mares, live covering mares, and being collected on the dummy. He knows how to be a gentleman! He has been a 100% color producer and all of his babies are big growthy colts with correct conformation, size and disposition. To date, he has nine registered foals, the oldest of which is just now two and has been smart and athletic under saddle. Although I could brag on RJ SHAKEMUP SANNMAN all day long, I encourage you to reach out and visit with me directly with any questions! Better yet, call and make an appointment to come meet him and ride him for yourself prior to the sale! Contact Amye Donaldson at [308-380-2244](tel:308-380-2244).
