Talk about unique! We call this rare find Dippin' Dots! We have owned Dots since he was a 2 year old. This horse has been a blast to ride and have in the barn, his talent and will to please are unmatched! Dippin' Dots is a true blue all around horse. He has spent 8 months with a reining trainer. He has also been Levi's main mount in the feed yard and is finished as a ranch horse. With his barn name being Dot! Dot is solid in all aspects of ranching. Dot has been used in the panhandle of Texas doctoring sick cattle, sorting, gathering, etc. Dot is no stranger to a full days work and has a big heart and a lot of try. If you would be looking for a cow horse prospect Dot is ready to go and have fun on. He is cowy and versatile, along with a good mind and a stellar work

ethic! Dot would also excel in the ranch versatility or ranch riding classes, he moves beautifully and has the presence to get you noticed. Sorting would also be a great career for this one of a kind gelding! He is smooth and has easy transitions into his gaits, a big stop, and extra fancy spins. A smooth lead departure and an easy lead change are just the cherries on the top for this extraordinary gelding. Dot has a fun personality and is always in your pocket. He's easy to catch and a perfect gentleman to handle and be around. This is a horse that craves attention! He hauls great, stands for the farrier and to be bathed regularly, and gets along very well with other horses. We have also rode Dot through the rocky terrain of the Palo Duro Canyon, he is solid and sure footed, and he will cross water, down trees, bridges, and any other obstacle you ask him to. Dot is a horse that is safe and suitable for any age or level of rider. He is a horse that our 6 yr old daughter loves to crawl on bareback and go for a joy ride through town on!
