Description

ES BET IM UNIK

Yes, he rides as good as he looks! Pyro is a 2017 AQHA Gelding with the most gorgeous Red Roan color. He stands 14.2 hands and stout, with a gorgeous head, soft kind eyes, phenomenal bone and foot and a mane and tail to match! He also has a crop out white spot that would qualify him for APHA papers, Talk about FANCY! He is sired by SMART LENA BOON who is the sire of earners of over \$210,000, excelling in the NRCHA, NCHA, Ranch Riding, Reining and Roping. His grandsire is none other than the legendary \$33 million dollar sire, SMART LITTLE LENA LTE \$743,000. His grand dam is the great mare BET YER BOONS PE \$500,000+ sired by \$28 million dollar sire PEPTOBOONSMAL. He's out of a great mare with proven ranching heritage. His

pedigree is the perfect combination of modern cow-horse lines and gritty foundation ranch horses. Pyro is a finished Reiner; with snappy spins that will drill a hole in the ground, beautiful lead changes, easy to circle will never go faster than asked, strong physical stopper, and never gets hot! Take him in the ranch versatility, and show off his floaty extended trot and flashy maneuvers. He's a great pattern horse! He is a multiple high point winner, buckle, and money earner in ranch riding and reining, also has AQHA points in the Ranch Riding. He has been shown at open and AQHA level shows. With his beautiful conformation he also does well in halter classes, and is soft in his groundwork to take in the ranch showmanship. He acts the same wherever you take him. Pull him out of the trailer and go, he's easy to get along with and a pleasure to show, great for the whole family. When your not showing him he is fantastic on the trails. He opens gates, through thick brush, over logs, through creeks, up and down hills along cliff edges. He will be your trail blazing machine. He has moved cows and shows a lot of potential and interest. He's packed a flag, He is young enough and fancy broke, it wouldn't take long to make him into a rope horse or cow horse. He has done extreme trail courses. He is patient with novice riders while they figure out his buttons. Extremely safe on the ground and in the saddle, I trust him all day with my 7 month old baby in the saddle with me, he is baby proof on the ground and loves getting mauled by her! He is great for the farrier, just tie him up and you don't have to be there. He bathes and trailers well, he has been hauled all over, easy to catch walks right up to you, easy keeper, up to date on vaccinations and teeth, no maintenance. I can't say enough good things about this great gelding! Please call or text Cassy Davis at C&C Performance Horses [\(208\)659-8573](tel:2086598573) to chat about Pyro or set up a time to come meet him.
