Description

RO HOT GUNNER

Cactus J Horse Co is proud to present RO HOT GUNNER. Milo is a 15.2H, 4 year old, tried and true all around ranch gelding who's been making a living riding through cattle every morning and turning back at a high caliber cutting facility. He has seen countless long days in high and low country from driving cattle in Montana to trail riding the backwoods of Kentucky. Milo has been hauled quite literally all across the US and travels with ease! In fact, if he sees you hooking up a trailer he's waiting at the gate! He has drug calves in the branding pen, doctored outside, outrode on the racetrack, drug colts around and has even tagged along on hog hunts but his resume doesn't stop there...Started in the roping pen and showing extreme potential as a top notch head/heel AND breakaway prospect! As my go-to mount I have entered him in several ranch rodeos, a handful of Omoksees, and a couple competitive trail classes. If

that's not enough, he's even been dabbling in low level dressage and cross country! Well-versed in all maneuvers and has a light, responsive handle that makes him enjoyable to ride for any job! This guy has the in-your-pocket personality that keeps you anxious to get to the barn every day and is the no questions asked mount that would carry you to the ends of the Earth! You won't find a horse with a bigger heart or more try and definitely not one with these looks to boot! I encourage you to schedule a time to meet Milo in person by contacting Cactus J Horse Co at [502-565-6621](tel:502-565-6621).
