JUSTARANCHEONEDUN

Billy is the total package, he is beautiful, gentle, broke and safe. He a 6 year old Red Dun Gelding that stands 14.2 HH and weighs 1050lbs, with a stocky build. He will be the same everyday you own him. Our 5 and 7 year old grandkids have loved riding him. With Billy's bloodlines going back to HIGH BROW CAT whose offspring have earned a staggering \$82 million in the cutting horse industry. Billy is one of those exceptional that threw back to his genetics. Billy is an awesome Heel and Breakaway horse. He is good in the box, has a great corner and gives you the same position to throw every time. He really gets his hocks under him and has a great stop. He is equally as great in the breakaway roping and is easy to rope off. When it's time to get something done on the ranch, Billy steps up to get it done. He has been used on our Ranch to do all Ranch duties, from sorting cattle, to dragging calves to the fire at branding time. Billy's

bloodlines really surface when there is a cow in front of him, he can sort with the best of them. He has been shown in the ranch cutting as well. He is great on trails and been on a couple mountain trips. He handles all water and deadfall with ease, and is very sure footed on trails. Billy is good to clip, shoe, bath and is current on dental. He will met you at the gate, and it will be a battle for who gets to ride him in your family. He is definitely loved by everyone. Billy is truly a versatile gelding that will make any level rider excel at any discipline they choose. Don't pass this nice gentle gelding up.
