Description

KNIGHT KIZZES

It is a big statement; however, Kizz is a once-in-a-lifetime horse! Majestic, tranquil demeanored, unbelievably talented, genuinely kind, with a black-type pedigree! Absolutely no foolish business, even with substantial time off. Kizz has been ridden extensively on trails throughout the Montana mountains, Arizona desert, and the bright lights of the city streets and arenas in between. He's quiet-minded and perfect in and out of the arena. Wildlife, dogs, buffalo, and cattle won't phase this guy, nor does loud gunfire, busy traffic, blowing tarps, and heavy machinery. He's fine with it

all. He is trained to kneel and curbside to make mounting easy. Kiss is definitely a people pleaser and loves attention. A finished REINER whose lope is soft and smooth, spins correctly and is an easy stopper. Kizz is a world-class Ranch Rider with a smooth, fluid trot, great transitions, and a soft jog-trot. Novice riders looking for forgiveness do not pass up Kizz. He is as smooth as rocking in your chair. Guides flawless even bareback and bridle-less, all with the touch of your finger on his neck. Kizz is a gentleman rancher's horse and has performed and excelled in all aspects of ranch work. Trailing and gathering cattle, sorting, doctoring, and in the branding pen! Also roped on in the Heading, he really reads a cow and rates. Everything we have ever asked Kizz to do has come easy, and always as a gentleman. Including packing camp into the mountains, he will pack, hobble and picket. An in-your-pocket-type horse that is always looking for your affection and attention. A true friend, he is the horse that walks to the gate of his stall with his ears forward, happy to greet you. We greatly appreciate him; he stands like a statue when tied, keeps quiet in a stall, or turns out with other horses. Riding Kizz, you'll feel like you are riding on a cloud – he almost glides on air when his feet hit the ground. You will not go wrong with him whether your pleasure is in the arena or on the ranch and trails! He is a genuine "Buddy" looking for his next best friend! We couldn't appreciate him more. His willingness to ride for anyone who climbs on his back and his big personality unquestionably makes him a barn favorite. We would love for you to come and meet Kizz. Give us a ring at [406-381-2347](tel:406-381-2347). UTD on worming, dental, and farrier. He passed all sales and veterinary standards with flying colors. He will be offered at Diamonds in the Desert Premier Horse Sale in Las Vegas on Dec 7 & 8th 2023. He comes with an A+ demeanor every day!!
