Description

DGR ERIC

You want a fancy mover, classy looks and style all wrapped up in one package? Robertson Quarter Horses proudly offers DGR ERIC aka FANCY PANTS, his name says it all from his eye catching looks straight to his can do attitude. Fancy Pants is a Black Blagdon, 2015 model gelding and is registered with the Gypsy Vanner Horse Society, he stands 15.1 and weighs 1200 lbs. He carries 4 white socks, full of feathers, big wide blaze, a mane that touches his knees and foretop that never ends, he will get you noticed every time you ride him. Fancy Pants is the barn favorite with his curious nature and in your pocket personality. He is the first to meet you at the gate and is

always eager to go for a ride whether its up the mountain trail in Montana or down the wash in Arizona. Fancy Pants will move out and get you there with style, class and elegance. No matter if you ride western, english or pull a cart Fancy Pants will cover every base and sure to please his rider. Fancy Pants has a big flowing stride that will make him hard to beat in the show arena, with his limited show career he has points in halter, english and western pleasure and moves like an absolute dream. Fancy Pants top side has several horses including Woolly Mammoth Of North Fork who were all successful show and point earners. He is very broke, stops hard, turns around, side passes, goes over bridges, open gates, ponies my colts, ropes the dummy and does any task I ask of him. He travels well, loads and unloads with ease, goes through water, over logs and rides in a group or alone. Fancy Pants is the type that enjoys working and getting jobs done, he will go all day and never hesitates with anything I ask of him. No matter if you ride everyday, once a month, beginner rider or advanced Fancy Pants will work for you and try his hardest to give you the best ride every time. Fancy Pants has great confirmation, straight legs, good solid feet, easy to shoe, clip, bathe and we guarantee him 100 % sound in every way. Fancy Pants is a horse we are confident anyone would fall in love with from the first ride. Come meet Fancy Pants we guarantee he will be everything and more.
